Duration: About 5 hours

Hong Kong Wetlands Delight Tour The tour takes you to the Hong Kong Wetland Park, a world-class ecotourism facility that provides education on environmental protection and wetland conservation in a fun, interactive environment. A guide will take you along boardwalks through mangroves to secluded bird hides to get close-up views of some of the stunning wild birds that migrate or nest here. You'll also see a variety of dragonflies, butterflies, mammals, reptiles and fish.

The tour then takes you around the coast of Deep Bay to Lau Fau Shan, famous for its oyster culture and a magnet for seafood lovers. Here is one of the best vantage points to enjoy the enchanting coastal scenery of Deep Bay.
