

6. Chinese Medicine Class

Learn the age-old secrets of Chinese medicine! Contemporary Chinese medicine represents the theories and experiences of Chinese physicians dating back five millennia.

Mr. Winton Wan is a registered Chinese medicine practitioner and holds double degrees in Chinese medicine and biomedical science. He is currently practicing Chinese medicine and acupuncture in Eu Yan Sang Medical Centre.

Participants will be able to gain some basic knowledge about Traditional Chinese Medicine such as the concept of yin and yang and the purposes of some widely used herbal medicines. The modern scientific techniques for the identification and quality control of Chinese medicines will be explained.
