

## 12 “The Hong Kong Story” Exhibition Guided Tour

From the earliest life some 400 million years ago to Hong Kong's return to Chinese sovereignty in 1997, *The Hong Kong Story* exhibition at the Hong Kong Museum of History showcases the miracle that is modern day Hong Kong. Occupying 7,000 square metres, this multimedia extravaganza comprises eight galleries located on two floors. Its exceptional displays are complemented by special sound and lighting effects to take you back in time. Explore an ancient village temple or walk along a city street with the look and sounds of a hundred years ago. Step into a typical Hong Kong home from the 1930s and you'll feel as though tea is about to be served. Along the way, museum guides provide insights on Hong Kong's development to give you an amazing historical journey.

## 13 Maritime Museum Guided Tour

Both of your hosts are experts in the field of maritime history, and will share their considerable knowledge about Hong Kong's early seafaring days by highlighting the museum's various treasures.

The museum contains precious models of ancient ships, artistic works and interactive displays of modern ships and ports. Here you will see how China, Asia and the West have contributed

through the ages to the development of boats, ships, maritime explorations, trade, and naval warfare. While the Museum concentrates on the South China coast and its adjacent seas, it also covers global trends and provides a comprehensive account of Hong Kong's growth and development as a major world port and top maritime centre.
