Second Batch of “Hong Kong Night Treats for Locals” Up for Grab on Wednesday Sign Up, Click the Link, Collect and Enjoy

The Hong Kong Tourism Board (HKTB) is rolling out **the second batch of 100,000 “Hong Kong Night Treats for Locals” dining vouchers** for free for the public to collect online at 10am, Wednesday (10 January). Participants of the second batch include **more than 600 outlets from about 110 merchants of bars and Quality Tourism Services (QTS) Scheme-certified restaurants**. The full list of merchants is available at the campaign’s official website (<https://www.discoverhongkong.com/hk-eng/deals/night-treats.html>) or the **Appendix**.

The second batch of the “Hong Kong Night Treats for Locals” continues to offer a wide variety of gastronomic delights, such as **Hong Kong-style claypot dish, local noodles and congee, Michelin star winning Cantonese cuisine, seafood, Chongqing hot pot, American fast food, popular chain store fried chicken, fantasy-style café, high-end French cuisines, Italian tastes, Southeast Asian delights, Japanese and Korean gourmet**, etc. Alternatively, voucher holders can choose from the list of **popular bars**. There sure will be an offer that can satisfy your taste buds for all kinds of occasions.

Each “Hong Kong Night Treats for Locals” dining voucher comes with a HK\$100 value. Voucher holders can enjoy a HK\$100 discount of their dine-in bill at their selected merchant upon a minimum spending of HK\$100 after 6pm.

Check out the **tips** below to collect your **Night Treats** more easily:

1. Sign up in advance for your account on e-platform of Discover Hong Kong website

Consumers are required to log into their **Discover Hong Kong e-platform account**. Users can sign up with a Hong Kong mobile number; each number can sign up for one account only. Existing users are not required to sign up again but are advised to log in in advance to ensure that the account is active.

2. Log into the campaign’s official website link and wait for your turn patiently

The second batch of the dining vouchers will be available at 10am on Wednesday (10 January) at the campaign’s official website (<https://www.discoverhongkong.com/hk-eng/deals/night-treats.html>). As there maybe a large number of users visiting the campaign website, users may have to wait for admission patiently. The system will **automatically admit users into the campaign site starting from 10am** and it is not necessary to log in early.

3. Ensure your account has a valid slot for a new voucher

As each account can hold one Night Treats voucher at a time only, users are required to redeem the existing voucher before collecting a new one (subject to availability of vouchers). **Remember to redeem your voucher from the first batch before collecting the second batch.** All vouchers cannot be removed, deleted or exchanged once added to “My Wallet”.

4. Use your voucher within 30 days as you dine after 6pm

Dining vouchers are valid for 30 days from the date of collection (i.e. the day added to “My Wallet”). No replacement will be made for expired coupons. Vouchers are redeemable from 6pm to the closing hours of the respective business daily. Users are required to log into their Discover Hong Kong account on their own device when using the voucher. Click “Use coupon” and scan the HKTB QR code provided by the merchant to redeem the voucher. If two or more customers have a valid voucher at the same table, they can use the vouchers together for the same bill.
