### HKTB's "Winter Wonderland in Central" Reopens Today

The Hong Kong Tourism Board (HKTB) will reopen "Christmas Town" in Statue Square today (10 December). In addition, the "Starlight Boulevard" in Chater Road and the "Immersive Light Show in Central" will also be launched. The "Immersive Light Show in Central" will feature winter icons through projections, LED animations, and lighting effects beamed across the façades of eight iconic buildings, together with holographic projections on installations and trees in Statue Square.

HKTB hopes the event will spread warmth, hope, and blessings of peace to all. Event partners will also donate the proceeds to support people in need.
